William “Bill” Redman Announces Candidacy for County Commissioner, District 1

Sheriff William “Bill” Redman today announced his intention to run for County Commissioner, District 1, in 2026, as his current term as Sheriff concludes on December 31, 2026.

“For more than three decades, it has been my honor to serve and protect the citizens of this county,” Redman said. “As I prepare to retire from law enforcement, my commitment to this community is as strong as ever. That’s why I am announcing my candidacy for County Commissioner.”

Redman stated that his campaign will focus on strong, professional leadership, continued support for public safety, and critical infrastructure improvements across the county.

“My priorities will be leading with professionalism and integrity, maintaining strong support for our police and fire departments, and ensuring our roads are better maintained,” Redman said. “That includes more efficient and reliable snow removal, so residents can travel safely year-round.”

Throughout his career in public service, Redman has been recognized for his dedication, accountability, and collaborative leadership. He brings decades of experience managing budgets, personnel, and complex operations—skills he believes are essential for effective county governance.

“I believe our county deserves leadership that listens, works hard, and delivers results,” Redman added. “I look forward to earning the trust and support of our community as I take this next step in public service.”

Additional information about the campaign will be released in the coming months. Redman emphasized that his primary focus remains fulfilling his duties as the county’s elected Sheriff.
